**Action Taken Report (online) 2021-2022**

After collection of feedback, we have analysed the feedback under supervision of the Head of the institution & the IQAC coordinator of the institution. The feedback analysis report from students clearly reveals that they are satisfied with the curriculum and facilities provided by the institution for their overall Progress and development. Still some of **students** have given **suggestions**.

- 1) It's necessary to start the NCC department for students.
- 2) Tree plantation is required in college.
- 3) Boy's Hostel
- 4) Number of competitive examination books must increase.
- 5) Bus Service for College coming from villages
- 6) Boy's Rest Room

We have discussed these suggestions in the CDC meeting & submitted a proposal to 53-Mah, NCC Battalion, Latur. As per advice, planted trees on the college premises and planned to plant more trees next year.

**Feedback analysis report of teachers** on curriculum has some suggestions regarding

- 1) Human values must be added in the curriculum
- 2) Curriculum must be to the competitive exams.
- 3) Should be more practical oriented.

These suggestions we have discussed with the BOS members of our institute who are representative of our institute in the university.

**The alumni feedback** analysis report confirm that the majority of the alumni are happy, satisfied and proud to be a part of this institute but they have given some suggestion regarding

- 1) The college should organize programs for personality development.
- 2) To increase campus interview.
- 3) Guidance of competitive exams.
- 4) Improve Communication Skill

We have discussed this with the principle and are planning programs for student personality development, for as campus interview is concerned, due to pandemic situation companies and organizations are not willing to take campus interviews. But we offer a chance to students to attend online interview. We will arrange campus interview in coming time. We also planned to strengthen the Competitive Exam Cell.
