Dist. Osmanabad

Any student may file a complaint with the Grievance Redressal Cell (GRC), which will investigate it and take the appropriate action. Through the online complaint/suggestion box, students can express their concerns about any academic or extracurricular issue on campus. The university uses an online form and a suggestion/complaint box to address student complaints about the specified academic and non-academic issues on campus. In a timely manner, the school seeks to address the concerns of the students.

Objectives:

To further enhance the bond between students and the institution by providing them with all kinds of services, the Grievance Redressal Cell has been established to address the issues of students and other stakeholders within an acceptable time frame.
